Contact John Williams
john.williams@dysart.org

During this session, you will:

- Increase parent engagement and involvement with the school
- Reinforce the 7 Habits® and other leadership principles at home
- Create consistency between the school and home cultures
- Grow the school's influence and community relations

Facilitator:

Kalli Sampson

Kalli's vision is to strengthen individuals, families, schools, and communities through The Leader in Me transformational paradigms and effective practices. Kalli strives to strengthen the connection between home and school cultures. Having the 7 Habits language and effective practices in home and school environments will create long term, sustainable success for families and school communities. Together we can inspire greatness.

Come join us for a complimentary 7 Habits Family Workshop at the Dysart Education Center in Surprise, Arizona. In these information-packed sessions you will learn how to apply the 7 Habits with your family in your own home.

Give Families a Framework

The 7 Habits of Successful Families Solutions are integrated with the Leader in Me model. The 7 Habits provide a powerful framework for implementing timeless principles that create a nurturing and enriching environment for all members of the family. Whether or not your school is implementing Leader in Me, the principles found in the 7 Habits of Successful Families can make a profound impact when applied with fidelity.

Establishing a Home Environment

Because of the fast-paced world we live in, it is fundamentally important to stop and reflect on the emotional stability and well-being of our families. Without intentionally cultivating a positive and uplifting environment, valuable relationships can become strained over time.
